I leave you

'Wheel of Love' for
Betty to do.

Startued work with Bob Sam.

I do not like your feathered
 friends they are primitive
 savages - Jesus Christ
 All these savages need
 salvation. If they could not
 accept salvation from them
 be perplexed from the feathered
 friends
 how

image receive salvation.

I can only say that.

Brother Anthony.

Now in the Father & Son, Christ be blessed

The Prince of the Conquistadores
 burned the Father & Son who
 would not accept Christianity -

29th July.

Carol comes to the temple
tells me, "What will you do
when you separate."

Alec says it is my fault.
that Carol is here but where
is David. Easy for 2 to be
together but three & four I find
to wait.

During the afternoon a
arrow was released - in
Carol's direction from Thomas
Cross bow. Carol had more
tears and ran out of the temple
saying she did not care. B was
sent after her but she met David.

Betty says Balls to us separating,
adding that I would have to
throw her away first.

Carol. Barnett. Salisbury Rd
Unknown destination on the
day of the wedding of Prince of Wales
For myself I have not a Royal
Court I wish it to know that the
Princess is walking a straight
line across the tangle. It must
be the straight line. 9:30...

~~Don't get to me!~~

Carol was invited into
Alec's bed. "You will not be
invited again if you refuse"
~~Alec~~ Carol cried again. Alec
referred to the notes and to me
said it was not easy living
with the notes accused me
of being too forced + a cunt
and said to Carol it is
now or never either join me
or leave me alone. If you
join me it is got to be my

way or not at all. Just the
spirits just evd. It has
to be my way or not at
all (Alec called Carl ^{just} a dog where, and many
other names but said he loved her. ~~Just~~)

Alec said that he
had called Carl, astrally,
she also said that it was
my fault that she was there

He told Carl that she
had stolen his love Denise
from him + that John had
left him. (I do not know if
that is true). He said that
B was his lover but he
was celibate. Bad feeling
last few days. B. weak +
crazy. No food in the house
My money has run out. Alec
drinking too much making
himself ill. B. not home yet
Spirits have said to them

Verbio + B. that is. B looking
for house two flats for I've

Fence was closed until
next Wednesday. I've
