9-AM

Having arisen and placing the Kettle on to boil I went to Allen's room to see if he would like a cup of tea.

He said he had been dreaming and proceeded to describe the dream.

"He was on the temple with me but he had to leave to work with Allan. But I told him back saying I could do the work as I had been told by spirits it was ok for me to do and offered him the tea I had just made."

Evening.

While in the Bell Hotel Allen describes a vision to me.

He sees a beach on which a wave has broken and the surge races up the beach with splume mixing with the sand.
