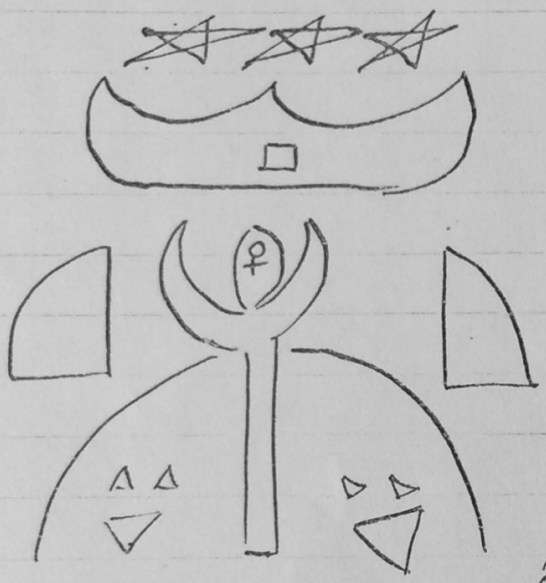
Drawing Upon the Board.



Chariot of the Tarot

Belathaneir

Pegasus.

Winged Steeds of the Thebes Chariot.
Morning pulling

Bellows of the wind
God of the Winds and of the Morning we fly in
our aspiration towards thee
The brightness and speed of thy chariot shall
draw me upward
Always and ever toward the light
O God of Heaven
Thou who risest and settest thy Steeds are
borne before thee on the wings of the Morning God.
