DAMIANA WINE.

An aphrodisiac for tired people.

Take 6oz. dried Damiana leaves. Steep in 10 ozs. brandy for twenty one days or more. Strain carefully, serve in small goblets. Not more than three every hour. Results excellence per se. Note:- This is better if you can also steep along with the Damiana $\frac{1}{2}$ oz. Dried Mandrake root. It is very astringent, so be careful who you give it to; if they have weak bowels, then one goblet in each hour, and the pot ready: It is also a good purge for raising the true cone of power for the Great Rite. 7 goblets over 3 days are good for preparation to gain the sight.

Another recipe to stimulate a worn out penis is as follows: It is messy to use but results are worth the trouble.

$\frac{1}{2}$ pint nettles (fresh)
2 tablespoons pure olive oil.
1 teaspoon paprika.

Method:- Pestle all together in a smooth mortar. Keep in a small earthen pot in a dark place. Anoint at appropriate time --- use --- it will stimulate the blood course and help to maintain the horn, After the act of Love make sure that both neutralise the unction by bathing in warm water. Paying special attention to ye genitals.
