numbers by division and in
ly turning upon myself I
have created Male + Female
and the number of my Female is
Three. My Male number shall be
Two and thus I created my
first destination. I created a
World to rid myself of my
Mistakes and this was my
Death. Then I slept within
my Nest and turned in upon
myself. Suddenly bursting
from my Nest were the
MOTHER and FATHER of My
Creation. The power of the
Father whose name was
HOKKHA, whose number is Two
and behold he was wounded
by the sky of the Night. And
then I created BINA

whose number is THREE and
 I decree that She shall
 be the Opener of the Gates of
 the Inner Life. She shall be
 the Open Gate of Life and
 the Bringer In of Death.
 The Bright Fertile Mother
 and the DARK STERILE
 Mother.

She sitteth in the West
 move of feathers, black &
 marble and her Tree is
 Black & Silver.

She will conceive my
 child from the first Archangel
 and she shall name Him.
 ASILAE. THE ARCHANGEL OF
 DEATH.

The manifestation of my dark angel shall be known as SANDOLPHON upon the Earth. And his flames shall be called the fire of AZRAEL.

For my conception of myself, divided I shall be known as HETHRAITON the Vice Regent of the God - and I shall be the head-witcher. Trust

I created an angel to guard the four quarters and to him I granted rule of QUANTITY for he is the EARTH of the EARTH. I numbered him FOUR. To him was granted POWER, DIGNITY, AUTHORITY, - THE Sceptre and the coin of his realm.

And I created another angel for his OVERSHADOW to him I gave the number TEN and named him URIEL.

And for a GUARD for the EASTERN KING of the angels I created the WAR LORD Angels and named them the SACRAMENTAL Lords of Fire and numbered them FIVE to be the Guardians of FOUR THE LESSER GODS OF BABURAH.

And I look upon myself to create yet again. And therein I numbered SIX and SIX is the number of the Beasts of my Creation. I gave my angels the privilege to die to be born with the Slaying Son Lord of Tiplineth and that they may call themselves the Phoenix, Angels of GOLD DESTROYERSON, - the RISEN NEW BORN and they named SIX as a salvation for the bright beings of my Creation.

To number Seven I gave the title THE REALMS OF LOVE filled with Rivers + Green Grass, Trees of every sort. And in that Sphere I placed the first Woman Angels of Love and there I made to be loving and fruitful many varieties I created to please the eyes of my Angelic Beings and to be help-mates and this was good in the night of my Creation for I saw that my Creation was fruitful. There women Angels are called LOVE LOVE VENUS VENUS roses for always. I called them Venusians and numbered them SEVEN.

To all my angels 2-3-4-5-6-7 I gave

Amazing grace, how sweet the sound
That saved a wretch like me!
I once was lost, but now am found,
Was blind, but now I see.

Call any man a king; it will not
alter him.

Call a king by some other name
he is still a king.

Cill has written a thank you note and in it mentioned that she had to swallow some jewels. "Also said I know to what she is referring." It says in the Bible that the price of a virtuous woman is more than precious jewels (rubies). Spiritual love is above the level of manifestation above Tiphereth. To express this love is why Cill is having an astral love affair. (Also selfless love labors of love may be an expression of this).

Vernal (nature) Netza Vernal sexual energy is living at the tree of life it is transmuted in Tiphereth and then to Mars, and I straight to Kether. Eve is Vernal, Lilith is vernal in Netza there is The Flower Goddess, The Black Goddess and The White Goddess Isis. - It would have been a better world if Adam Kadmon had of the first created Earth Man as opposed to the Macrocosmic Man that been emptied by Hekh - There would not have been the two goddesses in the world.

Hod the other balance for Netza - The intellect + awareness of the Sub Conscious as in first degree initiations (Bring the influences into the lower triangle, from the rest of the Binah Hekhem Ged + Geb). The use of Hod is a path, which is why so many of the 1st degree initiations fail.
