Dear Alex,

Thankyou for your note which we received yesterday.

I am enclosing an article which appeared in the Worcester Evening News for Wednesday the 3/8/83. Personally I feel it should be entitled the witch Hunts continue.

We have received a firm offer of a mortgage on the bungalow at Droitwich and have decided to move despite being left 'broke'. I will forward our new address to you when we have moved.

Thanks for your help, we are keeping all fingers and toes crossed that the 'work' works.

Love from all of us,
Blessed be
Angela & Tom Trenter.
