Dear Alex,

Thank you for sharing your birthday, it was beautiful + so are you.

Questions forming on the Book of Shadows – I hope to have typed it all by the time we leave.

The law is fantastic + will be The Word in our Coven.

Will also photo-copy the Crowley Books + Tree Calender before we go.

Hope you're well + happy Alex, you're forever in my mind and I send with these words much love + tenderness + health for you.

See you soon,

Blessed Be

Jacki
