5/10/77.

9-35 AM.

Donald.

"Said that Ethna has to return to learn more and love more training

Don will meet me later today"

During the afternoon I began drawing out the tree of life

11-55 PM.

Donald,

Speaking to Betty saying "next stage everything will be allright

Found will resume communication to say all is ok."

Spirit Michael

worked upon my neck as it had been still for several weeks and said it would be allright.
