Dear Alex en Jill,

HERE I AM AGAIN! How do you do Alex?
Everything alright? Hope it! How is Jill, and
the children? Give them my love, and also
my regard to your friend, you know which one
I mean.

So Alex, as our appointment, on the telephone
I am sending you a check of the Post Office
of £65. (Pound sterling).

£50. for you, for the work for me, about!
£15 for Jill, because I think, it is not
fair to her, to stay, without giving her any-
thing, I hope she will be glad with it, so
not I will hear it next time, when I go
there. I had a very good time, even though I
don't visit town. "Next time I will!"

Alex please you do the work for me, that
leave without any problem or trouble, if you
please, as soon as possible. I have all my
confidence in you, Be good, God bless all of
you, and lucky star to you, Alex, Do you
know? I will like to be there, once, when you

have Ritual in the field on full moon. I
