Dear Alex,

I hope you are well mummy and I have just got over a cold but are alright now.

I'm in a show at school I'm dancing in four dresses a warm up dance, a Hawaiian dance, ~~as~~ a Charleston dance, and the ~~can can~~ Can can. For the can can I have made a choker out of the velvet and diamonds you gave me. I've also decorated an old leopard.

Libby has spent all weekend at the horse-riding Stables, mummy and I are quite sure, if we didn't drag her out at 6:30pm she would bed down with Carina (Libby's favourite pony) Well I've got to go now and get down to my math's home work
