it is urgency also.

W. Newton
Structural Engineer.
Marine Surveyor.

Sept 30/

Since I can now access to commence scaffolding
I am prepared to carry out the work accordingly;
£2,300 for the job as described
£ + painting
from a scaffold at the front and a tower
at the back.

I am agreeable to have the
work inspected by my own and or your surveyor
before payment. I suggest you agree
a surveyor to determine exactly how the pay
payments should be based. This can
