my hand. O Ganymede please take me there. We are waiting for the journey & its terribly wearying --- exits. I need to make that journey - to be able to travel at will. I love you Ganymede - but I love somebody else - a human being. He his a man.

Tomé I came here to see you. I have very little advice: Adversity can Can overcome that. You are young & strong. Why have you made your face to disappear from me? It is engraved upon my memory. I cannot tell you yet your face - your spirit, your karma is engraved upon my memory. This that you do is as ploughing stony ground. And you because of what that is, you will to bring about. You must fertilise plough & it will cease to be stony. I will give you numbers. You

Disturbing into great dust-flying
everywhere. I can see faces in it.

Your face is in it (Derek) - you
are not a spirit - you are you -
yet you are a spirit. I am
looking at you there --.

Get away from dark hair please.

---. Patience - ..

Everyone you are true
already. We cannot be lovers
any longer. I am in love with
another now. Everyone please hold
