

Using occult forces makes life so much more simple and pleasant, that those folks who won't take the trouble to learn are only handicapping themselves. Remember that all schools of real tuition, such as this, have only a few members, all as carefully selected as you were, and so they are not afraid to teach their students the REAL thing...the true way to power and happiness, to give you the knowledge to help yourselves and others, that which so many long for but so seldom find

When drawing your Tablets and Squares, do not worry if the finished product doesn't look very much like the example given... the Angel's understand...and take the WISH to invoke for the DEED, but you MUST make the attempt, the best you can, or the Angel's will just not help you. THE TEACHING ANGELS ARE NEARER THAN YOU THINK. Just waiting to be 'called' by their Mysteries and symbols. They are only one plane above the magical student, and are very near, and warm-hearted, and NOT as aloof as you have been led to think. In fact, after a while you will FEEL their presence around you. Your own Moon Angel usually makes his presence felt first...you are on his vibration...and the Angel's are very beautiful, usually appearing as young and handsome, and laughing, for they have a wonderful sense of humour. You will soon find that out. They NEVER laugh AT you, but they do laugh WITH you, and if you regard them as invisible friends on another plane, that will be the right attitude. None of them look like the old-fashioned drawings of Angels, for they 'adopt' the 'modern appearance' to match the times their student are living in.

The Teaching Angels delight in helping humanity, for that is their work, but each Angel has his own particular duties. They can be compared to heavenly Trade Unionists. It's no good asking the Angel of Love for instance, to help you to buy a house. The Angel Anael deals with love, while the Angel Cassiel deals with house and property matters. This rule MUST be mastered, invoke each Angel ONLY for what he rules.

Do take the trouble to try and use the Theban Script in your Invoking or Banishing, the 2nd Square of the Moon is a simple one so you shouldn't have too much trouble there or in using the Script. Remember that the more effort you put into the understanding and the working of the magic, the greater the power you invoke, and the sooner you will contact the Angel Gabriel.

.....End of Lesson Five......

LESSON SIX.

At the time of your birth the Moon occupied the Zodiacal sign of ~~Scorpio~~ ~~CANCER~~...therefore the Angel of that sign, the Angel. ~~GABRIEL~~ ~~GABRIEL~~ will work with the Angel Gabriel to bring about your magic. ALL the planetary Angels will work with you of course, but the Angel which rules the sign your Moon occupied at birth is very closely attuned to your personal vibrations.

Thus your Moon sign Angel will add his powers to those of the Angel Gabriel to make your Rituals work. So here is a list of the Teaching Angels, and the matters over which they rule, these are the Angels you ask for help AFTER you have drawn your Moon Tablet or Square. You do this simply by saying to your Moon Angel. ~~GABRIEL~~....

"Great Angel..~~GABRIEL~~.....help me to bring about this matter under your dominion by and through the power of the Lunar Angel Gabriel." AFTER invoking your Ruling Angel, you invoke by the same words the Angel ruling the matter required. You will find this out by studying the matters the Angels listed below rule:

Angel Michael (Angel of the Sun).....

Achievements and all matters of worldly ambition. He gets you favours of all people of power, of matters connected with Government and Officials, and aids the physical body's development. He also rules all matters of music.

Angel Gabriel (Angel of the Moon) ~~Your 1st Ruling Angel~~.....

ebb and flow of fortune. Increase of all things. Physical and domestic affairs of WOMEN. Matters of the home. Carries the force of all magical Rituals. Guards you on long journeys and with travel by sea. Rules also conception and childbirth. Gives you also imagination and NATURAL clairvoyance.

Angel Asariel (Angel of Neptune).....

Angel Uriel (Angel of Uranus).....

In many cases the Angel Uriel performs the 'eleventh hour miracle' when all hope seems gone, and a miracle is really NEEDED.

Angel Cassiel (Angel Of Saturn) ~~Your 2nd Ruling Angel~~.....
