Can you tell me more about Pangea?

~~You say~~ Dawadra made the ~~point~~ that ~~observation during one of his meetings with me~~

During one of Dawadra's meetings with me he made the point that he was in Alan's body and in this room. Although I was aware of the change in the demeanour of Alan's body I could not say that I saw ~~him~~ Dawadra. If you are here in the same way could you make yourself visible to me?... as he was promised to Ford Tara who was afraid...?

You are incarnate and yet there is a resistance between yourself + the Spirit World... ~~but Earth conceptions and their division~~ ~~are~~ This is a beautiful concept for Earth man - could you explain a little more.

How old are you?

How many incarnations?
