Allen. They are all pegging it over somebody else's shit.

Graham

If I had the blade he would have no feet then it would be long enough to reach the ground.

(Talking about Allen pushing his feet right across the floor.)

Allen It's funny! The fucking thing has been in the house for hours. I didn't feel a thing until Allen saw it flashing. How fucking Boring?!!

Gracha

I thought he said flashing and wood not quicker than steel, who can't what. A pool that does not flow is stagnant and does only gather rot. when is the movement, that will get them going Lona.

Graham It is the fire and the water, the first of the pair of opposites, who built it knew what he was about.

Allen AYE.

The above discourse with was about the handle Jenny and Les had found to mentore. It was red and had blue/green hebrew letters upon it.
