Now he lady [illegible] the children in Wales yes That is on the symbols 5, 6 and 7. I was made by Alex to help you with the anger in 5, 6 and 7

Castor.

I've been learning alot since yesterday when you were lying here (on the bed in the flat) I know more about the diagram than Sutura Castor I've learned much more and I was frightened.

You needed help and Alex volunteered help. He created Sutura to help. The spaces between the upper diagram are indecisions Decisions began when after speaking to Alex on the phone you moved down here He knew very alot about you he sees your pathway very clearly I have been searching his mind. He has made his position very difficult to put you on the pathway of your being.
